Ah, dear heart, why do you rise, dear heart, why do you rise?
The light that shines comes from your eyes, your eyes, the light that shines comes from your eyes, your eyes, the light that shines comes from your eyes.
The day breaks not, it is my eyes. The day breaks not, it is my heart, to think that you and I must part. O, stay, or else my heart, to think that you and I must part. O, stay, or else my heart, to think that you and I must part. O, stay, or else my heart, to think that you and I must part.
else my joys will die and perish in their infancy,

O, stay, or else my joys will die, or else my joys will die, and perish in their infancy, -

else my joys will die and perish in their infancy,

O, stay, or else my joys will die and perish in their infancy, and perish in their infancy, -

and perish in their infancy, and perish in their infancy, -

and perish in their infancy, and perish in their infancy, -

O, stay, or else my joys will die and perish in their infancy, and perish in their infancy, -

perish in their infancy, and perish in their infancy.
