O quàm sanctus panis iste,
Quem tu præhes Iesu Christe,
Caro cibus, sacramentum,
Quo non est maius inventum.

Hoc est donum sanctitatis
Charitasque Deitatis,
Virtus et Eucharistia,
Communions gratia.

Ave deitatis forma,
Dei unionia norma,
In te quisque delectatur
Qui in fide speculatur.

Non solus panis, sed Deus,
Homo liberator meus,
Qui in cruce pependisti
Et in carne defectisti.

Non augetur consecratus,
Nec consumtus fit mutatus,
Nec divisus in fractura,
Planus Deus in statura.

Esca digna Angelorum,
Charitasque lux sanctorum,
Lex moderna comprobavit,
Quod antiqua figuravit.

Salutarem medicame,
Peccatorum relevamen
Pasce nos, à malis leva,
Duc nos ubi lux longæva.

Caro cibus, sanguis potus,
Manet tamen Christus totus,
Huic sit laus et gloria
In seculorum secula.
