Love
Opus 18 No 2

Arthur Maquarie
Edward Elgar

Allegretto

Like the rosy northern glow
Flush-ing on a moon-less night

Like the rosy northern glow
Flush-ing on a moon-less, moon-less night

Like the rosy northern glow
Flush-ing on a moon-less night

(Accompaniment for practice only)

Where the world is level snow,
So thy light. In my time of outer gloom

Where the world is level snow,
So thy light. In my time of outer gloom

Where the world is level snow,
So thy light. In my time of outer gloom

Where the world is level snow,
So thy light. In my time of outer gloom
