April is in my mistress' face

Thomas Morley (1594)
hath place. Within her bosom, within her bosom, within her bosom.
hath place. Within her bosom, within her bosom, within her bosom.
hath place. Within her bosom, within her bosom, within her bosom.

som is September, But in her heart,
som is September, But in her heart,
som is September, But in her heart,

but in her heart, her heart, a cold December
but in her heart, her heart, a cold December
her heart, a cold December
but in her heart, a cold December

but in her heart, but in her heart,
but in her heart, but in her heart,
but in her heart, but in her heart,
but in her heart, but in her heart,
her heart, her heart, a cold December.
her heart, her heart, a cold December.
her heart, her heart, a cold December.
but in her heart a cold December.
