Deus maiestatis, rex omnipotens,  
cui astant angelorum chori,  
et tuas laudes resonat orbis terrarum,  
respice in me et miserere mei.

Gott der Erhabenheit, allmächtiger König,  
dem die Chöre der Engel zur Seite stehen,  
und von dessen Lob der Erdkreis widerhallt,  
sieh mich an und erbarme dich meiner.

God of majesty, almighty king,  
assisted by the angels' choirs,  
of whose praise the whole world resounds,  
behold me and take pity on me.
