Bassus  
Pa - lae - mon

5  
- lae - mon and his Syl - vi'a forth must walk, of pas - si-

- lae - mon and his Syl - vi'a forth must walk, of pas - si-

8  
lae - mon and his Syl - vi'a forth must walk, of pas-

and his Syl - vi'a forth must walk, of pas - si - ons

9  
- ons, pas - si - ons past, of pas - si-ons past and di-vers things to

- ons past, of pas - si - ons past and di-vers things to

8  
- si - ons past, of pas - si - ons past and di-vers things to

past, of pas - si - ons past and di-vers things to talk, things to

14

talk. He sighs, he sighs, she weeps, they  
 talk. He sighs, he sighs, she weeps, they  
 talk. He sighs, he sighs, she, she weeps, they  
 talk. He sighs, he sighs, she weeps,

19

kiss, they kiss and both complain,  
 kiss, they kiss and both complain, they kiss, they kiss and  
 kiss, they kiss and both complain, they kiss, they kiss and  
 they kiss, they kiss and

22

they kiss, they kiss and both complain, and both of them would  
 both complain, and both of them  
 both complain, and both of them would  
 both complain, and both of them

27

some-thing, some-thing utter fain, would some-thing,  
 would some-thing, some-thing utter fain,  
 some-thing, some-thing utter fain, would some-  
 would some-thing, some-thing utter fain, would

30

some - thing ut - ter fain, would some - thng, some thing  
 would some - thing, some - thing, some - thing ut - ter,  
 - thing, some - thing, some - thing ut - ter fain, would  
 some - thing, some - thing ut - ter fain, would some - thing

33

ut - ter fain. But voice and words were to them both de -  
 ut - ter fain. But voice and words were to them both de -  
 some - thing ut - ter fain. But voice and words were to them both de -  
 ut - ter fain. But voice and words

38

- nied, were to them both de - nied,  
 - nied, were to them both de - nied, were to them  
 nied, were to them both de -  
 were to them both de - nied, were to them both de -

42

were to them both de - nied, for they had nought to  
 both de - nied, for they had nought to say, for they had  
 nied, for they had nought to  
 - nied, for they had nought to say,

46

say, for they had nought to  
nought to say, for they had nought to say that was not said, that  
say, for they had nought to say that was not said, was not  
for they had nought to say that was not said, that was not

50

1.  
say that was not said, that was not said, but  
was not said, that was not said, that was not said, but  
said, that was not said, was not said, but  
1.  
said, that was not said, that was not said, but

53

2.  
say that was not said, that was not said,  
was not said, that was not said, that was not said.  
2.  
said, that was not said, was not said.  
2.  
said, that was not said, that was not said.
