Tr. C. T. B.

1. Our term of life is seven-ty years, An age _____ that few survive; But if, with more than common strength, To eigh-ty we ar-rive,
2. To all thy servants, Lord, let this Thy won-drous work be known, And to our off-spring yet un-born Thy glor-ious power be shown.

Tr. C. T. B.

15 20 1. 2.

Yet then our boasted strength decays, To sor-row turned, and pain: So soon the slender thread is cut, And we no more re-main.
Let thy bright rays up-on us shine; Give thou our work suc-cess: The glor-ious work we have in hand Do thou vouchsafe to bless.
